

珠海巽丰特种塑料有限公司

XUNFENG

A member of Wittenburg Group

医疗和食品领域，您的TPE合作伙伴

Zhuhai Xunfeng Special Plastic co., part of the Wittenburg Group is active in the development and manufacturing of specialty engineering plastics, thermoplastic elastomers and medical plastics. Our main expertise is in high end, highly regulated and risk adverse markets. The company has established a solid track record in supplying custom-made solutions for demanding and critical plastics applications in the automotive, medical device, pharmaceutical packaging, water contact and food contact industry. Our products are branded under the name Cawiton® and Witcom®.

The Wittenburg Group adds value by being an industry specialist in customized plastic compound solutions, and is offering a support structure based on close partnerships and direct support to its customers. To strengthen the management of our production force, and to prepare ourselves for future growth, we are looking for a:

Production Manager - China

You will be elaborating the production planning, organizing and leading the production with all tasks related to that.

Your main challenges:

- Responsible for the realization of a good and efficient production planning.
- Responsible for leading and supervising the production-work of the production related employees.
- Responsible for the production-quality of the products.
- Initiate & manage training programs regarding safety, product quality, company culture, motivation and others for the production related employees.
- Responsible for fulfilling occupational health obligations of the personnel.

When you have:

- Strong leadership skills with ability to motivate people.
- Experience with quality systems (ISO environment).
- At least basic knowledge of plastics.
- Experience in polymer processing and/or in the engineering plastics industry.
- A technical Bachelor's Degree.
- The ability to speak and write in Chinese and English Language.
- The capability to work under pressure.

Then we are looking for you. Please send your resume with motivation letter to Anne Traa, General Manager Xunfeng: atraa@wittenburgbv.nl.

Location: The position is based at our office and factory in Zhuhai, Sanzao, China.

Your application will be treated in a confidential way.
